FREEDOM OF INFORMATION ACT REQUEST

National Freedom of Information Officer
U.S. Environmental Protection Agency

Washington, DC 20460
hq.foia@epa.gov

Dear Sir or Madam:

On behalf of POET LLC, the nation's largest producer of biofuels and other biorefined products, I submit this request under the Freedom of Information Act for all records expressing or embodying any final decision to grant or deny any petition for a "small refinery" exemption under 42 U.S.C. § 7545(o)(9).

The date when EPA searches for responsive records should be deemed the end date for this request.

If EPA needs to consult with any other agency to process this request, please do not delay production of responsive records that are not the subject of that consultation.

We are willing to pay up to \$500 in fees. Please inform me if you anticipate the possibility of excess charges so that I may decide whether to agree to those charges. This request furthers POET LLC's commercial interests.

Please produce responsive records in their original format where possible.

Thank you for your prompt consideration of this request.

Sincerely,

Shai Sahay
Senior Regulatory Counsel
